He has been instrumental in forging lucrative partnerships, such as with Mohawk Internet Technologies. His strategic acumen was further displayed through his appointment to the Continent 8 Board of Directors, leading to the establishment of the Isle of Man data center by Continent 8 Technologies PLC. Bud has also focused on community empowerment, spearheading social policy initiatives. In 2016, he transitioned to a Special Advisor role to facilitate organizational transformation and helped launch the Collective Impact movement in Kahnawà:ke.

As Vice President of Des Cultures Wind Farm until April 13th, 2023, Bud played a strategic role in the $70 million Des Cultures Project, culminating in the commissioning of the wind farm in 2022.

His tenure as Chief Operations Officer (COO) from April 1st, 2018, to April 2024, has been marked by a steadfast commitment to organizational integrity, employee development, and governance excellence, ensuring a smooth transition as he prepares for retirement. Throughout his tenure, Bud has nurtured a culture of mentorship and support, fostering the growth of Divisional Directors and new leaders within the organization. His on-going collaboration with the Tewatohnhi'saktha Board of Directors has served to align community interests with economic prosperity.

**Tammy, Tewatohnhi'saktha's Executive Director, remarked, Bud's legacy of empowerment, hard work, and dedication to organi ation will continue to inspire future generations of leaders at Tewatohnhi'saktha. Heather, Tewatohnhi'saktha's Chairperson of the Board of Directors, added, Bud's a ility to ridge diverse perspectives and champion community interests has een instrumental in shaping Tewatohnhi'saktha's success and impact**

**As Bud Morris em arks on a well-deserved retirement on April th, 2024, Tewatohnhi'saktha expresses heartfelt gratitude for his invalua le contri utions and wishes him a fulfilling and oyous next chapter**
