Shé:kon/Greetings,

The student providing you with this letter is inviting you to participate in the 2025 Kahnawà:ke Summer Student Employment Program (KSSEP), offered by Tewatohnhi'saktha, Kahnawake's Economic Development Commission. The student is studying in a field that is relevant to the mission and goals of your business or organization, and is interested in working with you this summer.

The KSSEP is meant to:

- ✓ Encourage our youth to stay in school and pursue post-secondary education;
- ✓ Prepare students for the job market by providing quality opportunities to explore career options and develop life and work skills.

As an employer, some of your responsibilities would include:

- ✓ Provide supervision and mentorship to the prospective student for the duration of the summer employment;
- ✓ Be willing to contribute 20% of the approved project costs;
- ✓ Complete the KSSEP Employer Application form;
- ✓ Provide a work plan/job description; and
- ✓ Apply by the deadline of April 2, 2025.

The student should also provided you with a copy of their resume and a letter of intent to accompany this letter. I invite you to meet with and interview the student to further explore and discuss.
