Job Details – Technology Innovation Intern

Job type	Part-time Seasonal, Internship
Shift and schedule	Monday to Friday (excluding statutory holidays), 10 AM – 3 PM
Location	Playground Facilities
Duration	July 2 – August 23, 2024

About Us

Playground is an internationally renowned gaming destination located a short 15-minute drive south of downtown Montreal, within the Mohawk territory of Kahnawake. We are currently expanding, unveiling new gaming floors, a luxurious hotel, and specialized dining options.

As part of its mandate to promote local employment and training initiatives, Playground has partnered up with IndigenousTech.ai to offer our local youth the opportunity to explore and learn the industry of technology.

IndigenousTech.ai is an Indigenous-led and owned company that endeavours to increase Indigenous employment, capacity building in Canada. As a business, we are combining our data analytics and technology strengths to amplify the visibility of Indigenous individuals, companies, and communities. IndigenousTech.ai constantly aims to build solutions for the Canadian market to enhance its opportunities with Indigenous partners and customers.

We are looking for dynamic and organized individuals to join our team for the Summer Internship. The ideal candidate will be comfortable leading classes, conversations and developing engaging activities courses on the STEM sector and will work closely with Indigenous youth ages 14-18. Our facilitators will help us create a safe and fun learning environment for interns to explore and enjoy.

Responsibilities

- Attend facilities and take technical skill development courses (customer engagement, problem solving, process controls, personality dynamics, communication skills, financial literacy, python coding) and achieve certifications
- Provide services to technology industry partners (i.e. through creation of marketing products, customer service, data gathering, creation of digital maps).
- Attend professional skill development workshops (teamwork, communication, time management).
- Attend and participate in speaker series sessions with chiefs, indigenous leaders and industry experts.
