General Information

Position Title: Classroom/Subject Teacher
Reports To: School Principal, Associate Director of Education
Direct Reports: n/a
Date: June 2023

About Kahnawà:ke Education Center

The mission of the Kahnawà:ke Education Center is to provide the children who live in Kahnawà:ke with a solid and well-rounded education laying the foundation for their future careers. The mission of KEC is carried out by the Kahnawà:ke Combined Schools Committee (KCSC) as well as the administrative arm of KEC. The KEC is responsible for the operation and support of three schools in the Kahnawà:ke community and post-secondary administration.

Position Summary

The main purpose of the Classroom/Subject Teacher role is to plan, organize and implement a standards-based instructional program that guides and encourages students to develop and fulfill their academic potential while addressing their intellectual, social, physical and emotional needs.

Key Responsibilities

Responsibility 1: Planning, Organization and Implementation of Instructional Program

- To plan, prepare and deliver lesson plans and instructional materials that facilitate active learning.
- To participate in school and student enhancement activities; activities may include various school committees, coaching sports, coordinating events, and intramural activities.
- To ensure short-term and long-term planning using weekly, monthly and yearly plans in order to maintain program sequence and continuity.
- To plan and conduct activities for a balanced program of instruction.
- To assist in the development of culturally relevant, integrated, cooperative and student-centered methods, materials and resources.
- To use a variety of communication techniques with an emphasis on questioning techniques, group discussions and student-centered conferences.
- To support the inclusion and integration of students with special needs.
- To participate in the development of Individual Education Plan (IEP) process with the Student Services Team and to weekly monitor and evaluate the IEP's.

Responsibility 2: Student Learning

- To encourage and monitor the progress of individual students and use information to adjust teaching strategies.
- To establish and communicate clear objectives for all learning activities.
- To instruct and monitor students in the use of learning materials and equipment.
- To provide a variety of learning materials and resources for use in educational activities.
- To encourage creative, experiential and cooperative participation of all students.
- To communicate necessary information regularly to students, parents and colleagues regarding student progress and student needs.
- To observe student's performance and development.
- To use relevant technology to support and differentiate instruction.

Responsibility 3: Student Assessment

- To provide students with appropriate and timely feedback on their work.
- To assign and grade class work, homework, tests, projects and assignments in a timely fashion.
- To use a variety of evaluation methods and materials including observation, checklists, tests, conferences, portfolios, etc.
- To administer tests and exams in accordance with pre-established procedures in order to assess students' academic skills and learning on an ongoing basis.
- To prepare and submit the required report cards and forms within pre-established deadlines (3 times a year).
- To maintain accurate and complete records of students' progress and development.
- To participate in the required school and parent meetings.
- To oversee the behavior and conduct of all students throughout the school day.

Responsibility 4: Classroom Management

- To organize a classroom as a learning environment that provides cooperative and independent work and study environment for all students.
- To integrate the school environment, the community and the natural environment to enhance student learning.
- To manage student behavior and maintain discipline in the classroom by establishing and enforcing rules and procedures in accordance with the disciplinary systems of KEC.
- To respond appropriately to students' needs, aptitude and learning styles.
- To collaborate with Resource Teachers, Behavioral Technicians and other resources in regards to class integration of special needs students.
- To effectively implement tools and strategies to support special needs students.

Responsibility 5: Collaboration with KEC's Strategic Plan

- To collaborate in developing, establishing and achieving KEC's philosophy, goals and objectives.
- To support the implementation of school's rules, policies and procedures regarding the general operation of the school.
- To participate collaboratively in the formative and summative evaluation process using the established Performance Appraisal process.
- To encourage parent and community involvement.
- To participate in appropriate professional activities.
