

Biology Teacher - 2784

Job Title

Biology Teacher

Career Level

Teaching

Education

Master's Degree

Job Description

JOHN ABBOTT COLLEGE

**has the following anticipated vacancies
for the Winter 2026 semester**

DISCIPLINE: BIOLOGY (101)

TYPE OF CONTRACT: Part-time contract representing full and/or part-time workload.

N.B. This vacancy is to replace an instructor away on an authorized leave and will terminate, without prior notice, upon the return of the instructor.

AREA OF EXPERTISE: To teach Biology courses to students enrolled in pre-university and/or professional programs.

QUALIFICATIONS:

BIOLOGY (101)

- Master's or equivalent* degree in Biology
- Master's degree in a related field may be considered
- Several years related teaching experience at the post-secondary level preferred
- Ability to collaborate within a departmental team to achieve common objectives
- Excellent English communication skills essential
- A basic understanding of climate change and its biological consequences will be considered an asset
- Candidates should have a willingness to acquire knowledge of climate change causes, impacts, implications and ways to effectively respond and to reflect this appropriately in their teaching
- Bilingualism (English/French) and ability to teach in French are preferred, as in the context of Bill 96 and the changes to the Charte de la langue française, if there is a need, the candidate must be willing and able to teach in French.

* Equivalent establishes a general comparison between two official education systems

Internal non-permanent applicants with acquired seniority have priority for this posting; however, qualified external candidates are encouraged to apply as the College conducts interviews when there are no internal priority applicants.

of Hires Needed

1

Deadline Date

10/29/2025

John Abbott College adheres to an Equal Access to Employment Program, and invites women, visible minorities, ethnic minorities, indigenous peoples and persons with disabilities to submit their applications.

We thank all candidates who submit their resumes for consideration. However, only those candidates selected for an interview will be contacted. If your work experience has changed or if you have acquired additional education since your last visit, be sure to submit your updated resume so that we may review your full career path. If you are applying from a mobile device (smartphone, tablet), you will receive an acknowledgment email asking you to update your file by submitting your CV in order for your application to be considered.
