

JOB OFFER – Food Packaging Supervisor

Company Name: Boulangerie Fairmount Bagel Inc.

Company Address: 74 Fairmount Ave. West, Montreal, H2T 2M2

Job Title: Food Packaging Supervisor (NOC 92012)

Main Duties:

Inspect bagels prior to packaging. Check bagel weight using a digital scale. Check the colour of baked bagels (must be golden brown). Check bagel shape (irregular ones must not be packaged). Check the size of the hole in each baked bagel (those with holes that are too large or too small must not be packaged). Check bagel texture (ensure none are under cooked or overcooked). Package 6 bagels per plastic bag and supervise other staff performing packaging duties. Scan each 6-pack of bagels using a handheld metal detector. Place three 6-packs into a large outer plastic bag (totalling 18 bagels per bag). Prepare the labelling machine by updating/verifying the product code and setting the expiry date. Affix the expiry date label to each bag. Stack prepared bread trays (10 levels high) onto the wheeled delivery cart. Verify that the complete order matches shipping invoices. Ensure all trays are loaded onto the delivery truck and the delivery slip is signed. Hand delivery invoices to the driver. Train other employees. Ensure health and safety standards are met. Create work schedules and cover for absent staff as needed.
