- The 2022 Job Listing and job postings with work plans will be available on our website at:
www.tewa.ca/KSSEPjobs.

Verification of Student Eligibility

Employers decide which students they wish to interview. Employers will be [required to forward the names of the students who apply to their position\(s\) to the KSSEP Program Manager and/or Youth Programs Assistant for verification of eligibility](#). Employers will be required to report on how many applications they received and how many applicants they chose to interview.

Eligible students MUST be a:

- ✓ Full-time high school student returning to high school in September 2022;
- ✓ High school graduate entering a full-time post-secondary institute in September 2022;
- ✓ High School graduate entering a Vocational Institution in September 2022;
- ✓ Full-time college/CEGEP student returning to full-time studies in September 2022;
- ✓ Full-time university student returning to full-time studies in September 2022;
- ✓ University graduate of this year; or
- ✓ Adult education graduate of this year attending full-time post-secondary studies in September 2022.

5.0 STUDENT SELECTION

It is up to each employer how they would like to select their summer student(s); however, it is strongly recommended to formally interview at least three (3) students for each position, in order to provide them with realistic job application experiences.

We also encourage employers to use a set interview questionnaire to be used in the same way with each interviewee. Some key interview questions are:

1. Tell me a little bit about yourself.
2. Why do you want to work for us?
3. What do you know about our organization/business?
4. How does this position relate to your personal/career goals?
5. What makes you the ideal candidate?

Employers must inform each job applicant of their hiring decision, regardless if the applicant was selected for an interview, via phone, mail or email.

6.0 BRING YOUR OWN STUDENT

In order for post-secondary students and employers to plan for future recruitment and succession planning, we are encouraging students to begin **networking with employers** who they may be interested in working for by inviting the employer to apply for a KSSEP position. This approach is designed to aid the students in gaining the type of summer work experience that is best suited for and compliments their field of study.

Employers are also welcome to 'bring their own student,' should they already have a particular student in mind for a summer position. Please indicate the name of your student on your application form.

Requests will be judged based on the criteria in section 15.0.

7.0 WORKSHOPS

Professional and Personal Development Workshops will also be offered to students during the months of June and July. The workshops are meant to enhance the student's employment experience and to increase their opportunities for future employment.

The majority of the workshops will be held on the third floor of the Tewatohnhi'saktha Business Services Complex or virtually. Details relating to session topics and schedules will be available when employers and students sign their contracts. **We encourage you to make suggestions for the upcoming workshops.**

It is mandatory for students to attend **one (1)** session and employers are required to allow students to participate in all the workshops that are of interest to their student.

8.0 CONTRACTS / CONTRIBUTION AGREEMENTS

Once the contracts between the employer, student and Tewatohnhi'saktha Workforce Development have been signed for the positions that have been approved, the following payment schedule will apply:

- An initial advance payment of **75%** of your funding allocation will be disbursed.
- A final payment for the remaining balance of **25%** will be distributed once **both the employers and students submit final evaluations, all remaining timesheets and the student's record of employment. The deadline to submit all documents is Friday, September 23, 2022.**

Special Note: Complete details outlining payment procedures are outlined in the Employment Agreement.

If a student must resign before fulfilling their contract, please forward a copy of their letter of resignation to the KSSEP Program Manager and/or Youth Programs Assistant.

Employers will be responsible to return any unused portions of funds committed for any and all projects to Tewatohnhi'saktha Workforce Development.

9.0 TIMESHEETS & ACCOUNTABILITY

Timesheets are meant to ensure that there is a high degree of accountability for all funds administered. Students and employers are required to complete timesheets for all projects approved through the program. A detailed explanation of how to accurately complete and submit these timesheets will be

given at the contract signing and explanation. Inaccurate and incomplete* timesheets create a challenge for program administrators when reporting on 'accountable' administration of funds to our funding partners.

If employers have their own formalized timesheets and these timesheets suit the needs of the program, the employer may be permitted to use their own. Please verify use of your own timesheets with the KSSEP Program Manager.

**We ask to make sure that all timesheets are SIGNED and DATED before submitting to avoid any incomplete timesheets.*

10.0 CHECK-INS & SITE VISITS

As an employer participating in this program, you must agree to informal site visits (scheduled and possibly unscheduled) by a representative of the KSSEP. At least one telephone/email check-in will be performed mid-way through the program and one site visit during the final week of employment. The site visit will take approximately half an hour.

The objective of these check-ins/visits is to monitor the progress of the projects, administer evaluations that provide valuable information to further enhance the program, and to take pictures of your student in action.

We encourage employers to reach out to the Program Manager and/or Youth Programs Assistant at any time to give feedback on the student's progress and/or any issues that may arise.

11.0 FINAL EVALUATION

The Final Evaluation is administered at the final site visit. Both the employer and student must submit a completed questionnaire describing the summer employment, learning experience, and to share their thoughts about the program.

12.0 STUDENT WAGE RATES & DURATIONS – NEW!

Level A: Part-Time High School	\$14.25/hour x 8 weeks x 25 hours/week
Level B: High School:	\$14.25/hour x 8 weeks x 30 hours/week
Level C: CEGEP:	\$15.15/hour x 10 weeks x 30 hours/week
Level D: University:	\$16.15/hour x 12 weeks x 30 hours/week

Higher Salary and Longer Duration

Students have the option of negotiating a higher salary and longer duration than what the program provides with prospective employers. Employers will have the option to offer more (wage rate and duration) than what the program provides. We suggest that the educational background, applicable skills, and related experience of prospective summer student employees be considered. All top-ups are at the expense of the employer.

Employers are invited and encouraged to top-up hourly wages based on the requirements of the job, student's level of education or field of study, and level of accountability.

13.0 MANDATORY INVESTMENT FROM EMPLOYERS

All employers from the private and public sector will be required to invest **20%** of the total cost for their **approved projects**. This 20% includes the Mandatory Employment Related Costs (MERCs). The employer is responsible for administration of MERCs. Exceptions can be made for those businesses who do not pay into MERCs.

Mohawk Self Insurance will be calculated into the MERCs for projects approved for Kahnawake organizations and businesses.

Employers are required to remit the employee's and employer's share of EI & QPIP to Canada Customs and Revenue Agency according to the Employment Insurance Act.

Employers are asked to contribute 20% as this will enable us to employ more students, enhance the quality of the employment experiences for students (i.e. supervision and work performance), and increase the level of accountability.
