Happy 5 years to Tóta Ma's Café!

Wishing Tóta Ma's Café a happy fifth anniversary. This social enterprise has offered support to many independent businesses by selling their products and the many training opportunities given to community members. Wishing you many more years of success.

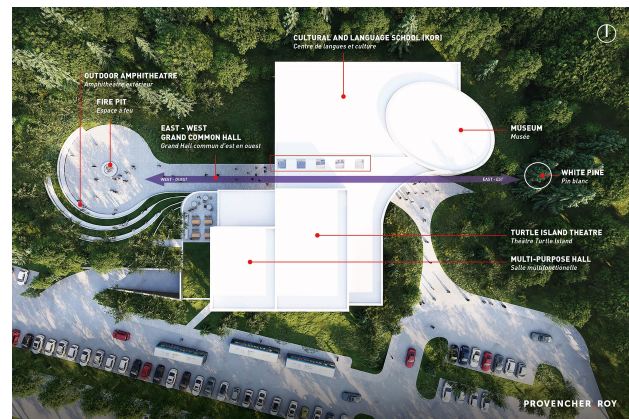

The Cultural Arts Center

The Kahnawà:ke Cultural Arts Center's Capital Campaign and current project management, is ongoing! The Building committee, consisting of the Kanien'kehá:ka Onkwawén:na Raotitióhkwa Language and Cultural Center, Turtle Island Theatre, Kahnawà:ke Tourism and the Mohawk Council of Kahnawà:ke, have been meeting weekly to determine final design of the interior, exterior, – basically everything! This new space will feature a state of the art museum, theatre, and a gathering space for community. We are working diligently to ensure the new center meets all our present and future needs. The architectural firms, Brook McIlroy & Provencher_Roy have been hired and have provided thus far some amazing conceptual drawings.

The team is working on getting the designs, costs, finalized to beginning construction this fall. The Capital Campaign, still in the silent phase, is running smoothly and is still working toward their 16 million end goal. For more information, visit
