INTRODUCING IONKHINÈN:RINE' - YOUTH CULTURAL LEADERSHIP PROGRAM

Kahnawà:ke Tourism is proud to launch Ionkhinèn:rine' ("They/She leads them"), a brand-new Youth Cultural Leadership Program designed to inspire and empower youth ages 12-17 through immersive experiences rooted in the Kanien'kehá:ka culture and heritage of Kahnawà:ke.

This exciting initiative offers participants a unique opportunity to grow as leaders while deepening their connection to Tsi Niionkwarihó:ten (our ways). Through storytelling, guided tours, artisan workshops, and hands-on community engagement, youth will build essential leadership and life skills in a supportive, culturally enriching environment.

"We want to instill pride, responsibility, and cultural understanding in our youth, while

helping them become confident ambassadors of who we are as Kanien'kehá:ka," says Olivia Wakenhnhiióhstha Rice, Program Facilitator.

- ✓ **Learn from respected community leaders and guest speakers**
- ✓ **Assist in cultural presentations and guided tours**
- ✓ **Build skills in collaboration, public speaking, and storytelling**
- ✓ **Strengthen their sense of identity and responsibility as future leaders**

"This program also prepares youth for meaningful roles in Kahnawà:ke's growing tourism sector and our new Cultural Arts Center," adds Tourism Development Manager Kimberly Kaniehténhawe Cross.

LET'S TALK TOURISM KICKS OFF SUMMER WITH COMMUNITY CONNECTIONS!

To kick off the summer season, Let's Talk Tourism hosted two info sessions during the Kahnawà:ke Hunters Lacrosse games on Thursday, May 22nd and Saturday, May 24th - and what a fantastic turnout we had!

Set up right in the heart of the action, our booth gave us the perfect chance to cheer on our local team while connecting with community members about exciting tourism initiatives. We shared details about the upcoming Ionkhinèn:rine' Youth Cultural Leadership Program, and introduced many people to the visual concepts for the new Kahnawà:ke Cultural Arts Center. There was a lot of buzz, curiosity, and great conversation around future job opportunities in tourism!

It was especially inspiring to meet so many interested youth, eager to learn and get involved. These sessions truly showed us the excitement and potential that's growing within our community - and we can't wait to see how these conversations blossom into action!

MONTREAL TOURISM SUMMER LAUNCH

We were thrilled to kick off the summer 2025 season by attending the Montreal Tourism Summer Launch on Tuesday, May 13th, held at the beautiful La Nesra venue.

The event began with a warm welcome from Mayor Valérie Plante, followed by remarks from representatives of the Grand Prix and Just for Laughs teams. The energy was high, and the atmosphere was festive, as businesses from across the region came together to showcase what they have planned for the season.

Our team was proud to represent Kahnawà:ke Tourism with our own information booth. We were ready to greet visitors, answer questions, and promote everything we have to offer - including our upcoming Pow Wow, which we're

especially excited to introduce to newcomers! We made some fantastic connections and are looking forward to welcoming many new visitors this summer.

Tourism Montérégie - New Partnership & Relationships KIMBERLY ELECTED TO BOARD OF DIRECTORS

We are pleased to announce that Kimberly Cross has been elected as an Administrator on the Tourism Montérégie Board of Directors for a two-year term. This appointment is a significant milestone, as Kimberly brings a wealth of experience and dedication to promoting regional and Indigenous tourism.

Her leadership will play a key role in shaping strategic initiatives that drive sustainable growth and enhance the visibility of Kahnawà:ke as a part of the Montérégie region, as a premier travel destination. We look forward to the positive impact her expertise will bring to the board and the broader tourism community.

Olympic Lab Event: SHARING CULTURE AND SPIRIT WITH TEAM CANADA

On May 27th, Kahnawà:ke Tourism staff were honored to participate in the Olympic Team Canada Lab Event held at the Airport Marriott Hotel. The event brought together athletes and coaches preparing for the 2026 Winter Olympics in Italy, and we were very proud to represent Kahnawà:ke and share our culture with the delegation.

The day began with the opening address and land acknowledgement, delivered by Ratitsenhá:ens Stephen McComber, who offered the Ohén:ton Karihwatéhkwén (The Words Before All Else). His words highlighted the sacred relationships between our people, the land, and one another - setting a meaningful tone for the day.

Following the opening, Kimberly Kaniehténhawe Cross introduced our talented performers. Atsenhakèn:iate Lazare led four songs, accompanied by vib dancers: Nashytn Mayo, Kwena Boivin, Kaiè:wate Jacobs, Watatsensheriiósthá Thompson, Shatekaiè:ton Diabo and Isabella Cross.

Their performance brought energy and emotion to the space, beautifully connecting our culture

with the Olympic spirit. The athletes responded with heartfelt appreciation, and it was a moment of true cultural exchange.

In the afternoon, Dwayne Stacey, Danny Stacey, Tyler Gilbert, and Kimberly hosted a wampum bracelet and belt-making workshop, where each participant crafted a personal replica wampum bracelet. They also contributed a strand of beads to a Friendship Wampum Belt, which was presented as a gift to the Team Canada Olympic Committee - a symbol of respect, connection, and shared journeys.

"It's meaningful and appreciated when organizations like the Olympic Committee take real steps to include Onkwehón:we voices in their spaces. It helps educate, build awareness, and foster meaningful relationships across Turtle Island and beyond."

We were deeply grateful to be part of this special event and to walk alongside the athletes as they prepare for their Olympic journey. Best of luck to Team Canada in Italy for the 2026 Winter Olympics!
